Under the program, eligible Centers may award MEP grants to eligible manufacturers to retain retiring employees for up to 90 days for the purpose of transferring job-specific skills and training							

1	(b) Eligibility.—In order to be eligible to receive						
2	funding and award grants under the program, a Center						
3	must meet the following criteria:						
4	(1) A Center must be able to document evi-						
5	dence of an aging workforce within manufacturing						
6	firms that are seeking assistance with retaining						
7	skills and knowledge of their operations.						
8	(2) A Center shall establish a transparent appli-						
9	cation process for eligible manufacturing firms that						
10	may include one or more of the following pref-						
11	erences:						
12	(A) A preference for manufacturers that						
13	employ veterans discharged or released under						
14	honorable conditions.						
15	(B) A preference for manufacturing firms						
16	from industry sectors that are most in need of						
17	assistance as determined by the local MEP.						
18	(C) A preference for manufacturing firms						
19	with a facility in the State or region for an ex-						
20	tended period of time before the application is						
21	submitted (as determined by the Center).						
22	(D) A preference for manufacturing firms						
23	that have an existing relationship with the local						
24	MEP.						

1	(3) A Center must be able to demonstrate their
2	ability to assess, advise and train manufacturers or
3	how to transfer the job-specific skills and training
4	through the implementation of a training structure
5	and train-the-trainer program focused on knowledge
6	capture and transfer.
7	(c) Training.—In awarding grants pursuant to this
8	section, consideration shall be given to the use of funds
9	by Centers to assist manufacturers that are experiencing
10	high employee turnover due to their inability to transfer
11	required job-specific skills and training to new employees
12	with the implementation of training structures and train-
13	the-trainer programs.
14	(d) Cost Sharing.—To be eligible for a grant under
15	the pilot program under this section, a Center shall dem-
16	onstrate that 50 percent of the amount of the funds
17	awarded are matched from non-Federal sources. Those
18	sources may include State and local agencies engaged in
19	workforce development, foundations engaged in workforce
20	development, or an in-kind contribution from an employer
21	that would stand to directly benefit from the grant re-
22	ceived by the Center.
23	(e) Number and Size of Awards.—
24	(1) Number.—The Secretary may award up to
25	25 grants to Centers under the pilot program.

1	(2)	Size.—	Each	award	under	the	program
2	shall be	for not	less t	than \$	50,000	and	not more

- 3 than \$500,000.
- 4 (f) Administrative Expenses.—A Center receiving
- 5 a grant under the pilot program may use up to 5 percent
- 6 of the amount of the grant for the administration of ex-
- 7 penses incurred by the Center in distributing grants to
- 8 eligible manufacturers under the pilot program.
- 9 (g) AUTHORIZATION OF APPROPRIATIONS.—There is
- 10 authorized to be appropriated to the National Institute of
- 11 Standards and Technology \$10,000,000 to carry out the
- 12 pilot program.
